## WHEN IT'S A GREY SPRING DAY IN IRELAND

You might think it would be a great idea to go cruising; sun, sea, a gentle zephyr breeze ruffling your hair as you sip a cocktail on the sun deck . . . . .

No such luck for the RAWR volunteers. Instead, our intrepid team of Trap, Neuter and Return ladies put on their rain coats and caught the early ferry to Bere Island where they had an appointment with a colony of furry felines.

Ten of our furry friends were trapped and taken back across the sea for their life changing visit to our vet.

Now back at their home, there will be no more fighting or breeding. They will have a chance for their bodies to rest so that they can enjoy a snooze in the sun.

We had to leave the cow behind though, . . .it wouldn't fit in the boot!

OUR NEXT VISIT WAS TO TIMOLEAGUE to a farm which was home to eighteen cats. This line of 11 traps is part of the total trapped that day. They are all covered with throws so that they feel safe and cosy on their journey to our vet.

To raise funds towards the cost of this work RAWR will have its ANNUAL FLAG DAY in Bantry on Friday 2<sup>nd</sup> June. If you would like to volunteer to help please call in to our shop in Bridge Street Bantry where you can see the roster and put your name down. Or email [susy@rawr.ie](mailto:susy@rawr.ie) If you are not able to help on the day, you can donate – just scan the QR code below.

As you know the past few years have been difficult for charities leaving many short of funds.
